Dear Unit Owner and / or Lot Owner :

In accordance with the Garden View Estates of Center Township Covenants, approval is required by the Association through the Architectural Control Committee for any new building construction or certain alterations to existing buildings or grounds.

Frank Vescio, Ed Elder, Dick Grace, James Samuels, and Don Sarandria volunteered to serve the community as members of the Architectural Control Committee. The goal of the committee will be to maintain the architectural integrity of the community.

Attached, you will find an application for review of your proposed project by the committee and an appeals request if that is needed. Please be sure that you have submitted a completed form and received written approval before beginning any work.

If you have any questions, please contact a member of the Architectural Control Committee.

Regards,

Architectural Control Committee
